Welcome Back! We would like to thank you for continuing to support our food service program. Although our students will be enjoying their meals in their classrooms, we want to ensure you we are doing our best to still serve them the best tasting, most nutritious foods available. We will have a limited menu and will have a 2 week cycle menu to start in an effort to limit any waste as we determine our participation. In the weeks that follow we will add more menu items.

Don't forget to get your Free/Reduce applications in by October 8<sup>th</sup> or your child will revert to paid status. Applications are online and can be found by going to the Cloverleaf website parent portal. Please feel free to contact the food service office at 330-302-0312 if you have any questions/concerns. We sincerely hope you are any your children have the best school year possible.

This facility is an equal opportunity provider.
